PLEASE READ THIS DOCUMENT CAREFULLY. IT CONTAINS IMPORTANT INFORMATION ABOUT YOUR RIGHTS AND OBLIGATIONS, AS WELL AS LIMITATIONS AND EXCLUSIONS THAT MAY APPLY TO YOU.

## 1] ACCEPTANCE OF ORDERS/TERMS

All orders are subject to acceptance by Lutron Electronics Co., Inc. ("SUPPLIER") at its Coopersburg, PA headquarters. SUPPLIER reserves the right to reject any order. Possession of a price list does not constitute an offer to sell. Acceptance of any order by SUPPLIER is expressly conditioned on Customer's assent to the terms and conditions set forth herein ("Terms") and the waiver by Customer of any terms and conditions contained in any order form, confirmation, or any other communication of Customer, whether previously or hereafter delivered to SUPPLIER, which either add to, differ from, modify, conflict with or are otherwise inconsistent with any term or condition herein. SUPPLIER hereby gives notice of its objection to any additional or different terms or conditions in any such order form, confirmation or communication. Customer's failure to object in writing to these Terms prior to the earlier of Customer's acceptance of the products ordered or fifteen (15) days after delivery thereof to Customer will constitute agreement by Customer to these Terms. SUPPLIER hereby gives notice of its objection to any additional or different terms or conditions in any such order form, confirmation or communication.

## 2] HOLD FOR RELEASE ORDERS

An order may be placed on a hold-for-release basis. Prices are firm for 3 months from date of order acceptance. The price of all hold-for-release orders not released by Customer for immediate shipment within 3 months from the date of order acceptance will be increased up to $10 \%$ increase over the initial order price to cover additional cost of labor and material. All hold-for-release orders not released for immediate shipment within 6 months from the date of order acceptance may be cancelled by SUPPLIER and subject to a $25 \%$ cancellation charge based on the price of the order.

## 3] PRODUCT CHANGES

SUPPLIER reserves the right to discontinue the manufacture or sale of any product ("Supplier Product") at any time or to alter, modify or redesign the Supplier Products.

## 4] USE OF TRADEMARKS

Customer shall use SUPPLIER's trademarks, logos or other identifiers in accordance with SUPPLIER's Corporate ID Guidelines and Style Guide found at www.lutron.com/styleguide.

## 5] PRICE

## 6] TAXES/DUTIES

All prices are exclusive of value-added taxes. The value added taxes will be billed to Customer separately.

## 7] CREDIT APPROVAL

Customer credit approval is required prior to any shipment. If SUPPLIER determines at any time that Customer's financial condition does not justify the extension of credit to Customer, then SUPPLIER may at its option require cash payments in advance or other satisfactory security prior to delivery.

## 8] CANCELLATION/CHANGE ORDERS

Orders for standard Supplier Products may only be revised or canceled by Customer prior to the date of loading at the place of shipment, and only with SUPPLIER's prior consent. Any product which SUPPLIER has the capability of producing but does not inventory is considered a nonstandard or custom product. If not cancelled as provided herein, Customer shall be liable for the full order price.

## 9] PACKAGING/ SHIPPING/RISK OF LOSS

Unless otherwise agreed by SUPPLIER in writing (i) SUPPLIER shall select the method of shipment and carrier, and (ii) costs for shipping shall be billed to Customer in accordance with the carrier's then current price list. Costs for special packaging and/ or handling requested by Customer shall be the responsibility of Customer. The risk of loss, damage or shortage of SUPPLIER Products shall pass to Customer upon delivery to the carrier regardless of notice to Customer. SUPPLIER assumes no responsibility for insuring shipments unless specifically agreed to in writing by SUPPLIER, in which case the cost of insurance shall be for Customer's account.

If the SUPPLIER so requires, Customer shall store the Supplier Product separately from other goods and shall ensure that they are clearly identifiable as belonging to the SUPPLIER. The SUPPLIER may recover Supplier Product in respect of which title has not passed to the Customer at any time and the Customer irrevocably licences the SUPPLIER, its officers, employees and agents to enter upon any premises of the Customer, with or without vehicles, for the purpose either of recovering goods in respect of which title has not passed to Customer or confirming that the Supplier Product is being stored and/or identified as required by SUPPLIER.

## 11] DELIVERY

Quoted shipping and/or delivery dates are based on estimates at the time of order. SUPPLIER shall use reasonable commercial efforts to meet such shipping and/or delivery dates, but SUPPLIER shall not be liable for any direct or indirect costs or damages, including without limitation incidental or consequential damages, resulting from late deliveries. Except as expressly provided otherwise herein, Customer agrees to purchase and pay for all material ordered as specified on SUPPLIER's invoice.

In no event shall SUPPLIER be liable for damage or loss to a shipment caused by a carrier. If shortage exists with respect to any shipment and it is not concealed, Customer shall secure a notation of such shortage from the carrier on the freight bill or delivery receipt. If shortage is concealed, Customer must notify the carrier and SUPPLIER within 15 days. No claims for damage, loss or shortage will be allowed unless they are accompanied by an inspection report or signed delivery receipt noting such damage, loss or shortage signed by a representative of the carrier and forwarded to SUPPLIER within 30 days of the invoice date.

## 13] RETURN OF SUPPLIER PRODUCT

Customer may return new and unopened Supplier Product in accordance with Supplier's Returned Goods Policy in effect on the date each order is accepted and as authorized by Supplier on a Return Good Authorization, with the exception of non-standard, custom Products and metal wall plates which are not returnable.
